

Perren Buildings

Perren Buildings was launched in January 2007. Based in Kentish Town where clerking, conference and library facilities are located, we are a chambers of solicitor advocates with twenty members of varying degrees of seniority from newly qualified to over twenty years. We have a strong collective ethos built around our residential training programme.

In our first year we were instructed in over 500 cases of which over a dozen were VHCCs. We are now the largest organisation of VHCC Panel Advocates in the country with thirteen Panel members.

Our advocates are able to draw on a body of collective experience and knowledge, as well as support from chambers colleagues for covering unexpected hearings.

Advocates at Perren Buildings are supported by dedicated clerks led by
