

Conquering the Crown Court

8/9 October 2010

Courses for solicitor advocates who want to raise their game in the Crown Court

Trial advocacy training

These courses offer practical training in witness handling, speeches, evidence and etiquette. They are run by experienced Crown Court solicitor advocates and members of the judiciary, who will give you personal feedback and support.

They are incredibly good value, each costing £140 plus VAT per person, which includes 10 hours CPD plus an overnight stay and meals at Barnett Hill, a beautiful country house near Guildford.
