

Perren Buildings

Perren Buildings was launched in January 2007. Based in Kentish Town where clerking, conference and library facilities are located, we are a chambers of solicitor advocates with twenty members of varying degrees of seniority from newly qualified to over twenty years. We have a strong collective ethos built around our residential training programme.

In our first year we were instructed in over 500 cases of which over a dozen were VHCCs. We are now the largest organisation of VHCC Panel Advocates in the country with thirteen Panel members.

Our advocates are able to draw on a body of collective experience and knowledge, as well as support from chambers colleagues for covering unexpected hearings.

Advocates at Perren Buildings are supported by dedicated clerks led by

PROFILE

Flora trained at Clifford Chance and spent a year in their civil litigation department after admission to the roll, but moved to criminal practice nine years ago. Since obtaining higher rights of audience she has focused on trial advocacy and training advocates.

Flora has been instructed as sole junior or led junior in cases involving drugs, terrorism, fraud, serious violence and disorder. She is currently instructed in a multi-handed VHCC drug importation case, and has previously worked as a litigator as well as an advocate on VHCC matters. So far this year she has successfully defended all the trials she has appeared in, including a six-week trial of four detainees charged with conspiracy to commit violent disorder in Harmondsworth Detention Centre.
